

Diya Academy of Learning

Annual Report 2025–26

A Year of Learning, Leadership and Lasting Memories

The academic year 2025–26 was a year of meaningful milestones, innovative learning experiences and holistic growth at Diya Academy of Learning. Every month brought new opportunities for our students to learn, lead, explore and excel while reinforcing our commitment to academic excellence, character building and the all-round development of every learner.

May 2025 – Laying the Foundation

The academic year commenced with extensive planning and preparation. The month was dedicated to teacher induction, professional development and collaborative planning to ensure a strong start to the new session.

Highlights included:

- Orientation and induction programme for new faculty members
- Teacher training and capacity-building sessions
- Staff appreciation programme
- Reopening of Grades IX & X and PP1
- Book distribution for all grades
- Parent Orientation Programmes and Parent-Teacher Meetings across Foundation, Primary and Secondary sections, fostering a strong home-school partnership before the commencement of regular classes.

June 2025 – A Dynamic Beginning

With the reopening of all grades, classrooms came alive with enthusiasm and curiosity. The month focused on building academic momentum while nurturing leadership and wellness.

Major highlights included:

- Launch of English Month, encouraging reading, communication and literary appreciation

- Commencement of Periodic Assessment-I for Grades IX and X
- Student Council Election process, including nominations, campaigns and voting
- Formation of student clubs for Grades VI–X
- Bagless Day for experiential learning
- Celebration of International Yoga Day, promoting physical and mental well-being
- Investiture Ceremony, where newly elected student leaders pledged to uphold the school's values with responsibility and integrity.

July 2025 – Learning Beyond Classrooms

July offered numerous opportunities for experiential learning and academic enrichment.

Key events included:

- XSEED classroom observations
- English Month culmination celebrations in Primary and Secondary sections
- Educational field trips for various grades
- Periodic Assessment-I for Grades I–VIII
- Parent workshop on experiential learning through XSEED
- Bagless Week promoting activity-based and interdisciplinary learning
- PP3 parent engagement programme – *Ensemble*
- Successful CBSE Inspection, marking an important milestone in the school's journey towards continuous excellence.

August 2025 – Celebrating Heritage and Leadership

August was marked by patriotism, cultural pride and student leadership.

Highlights included:

- Social Science Month activities
- Parent-Teacher Meeting for Grades I–VIII
- Independence Day celebrations showcasing patriotism through cultural performances and student presentations
- Interact Club Inauguration in collaboration with Rotary, promoting service learning and social responsibility
- Periodic Assessment-II for Grades IX & X
- Hindi Month competitions

- Educational field trips
- Parenting workshops for Foundation parents conducted by the school counsellors.

September 2025 – Honouring Teachers and Embracing Culture

September celebrated educators while continuing academic engagement.

The month featured:

- Teachers' Day celebrations recognising the dedication of our educators
- Hindi Month Culmination showcasing students' linguistic and literary talents
- Parent-Teacher Meeting for Grades IX & X
- Periodic Assessment-II for Grades I–VIII
- Outstation educational trip for senior students
- Dasara and Deepavali special assemblies celebrating India's rich cultural heritage
- Staff team-building initiatives strengthening collaboration among educators.

October 2025 – Health, Skills and New Beginnings

Following the festive break, students returned with renewed energy.

Major initiatives included:

- Comprehensive health check-up programme for students
- World Mental Health Day awareness activities promoting emotional well-being
- Skill Certification Courses for students
- Olympiad examinations
- Marathon promoting fitness and community participation
- Commencement of admission process for the upcoming academic year
- Expert talks and traffic awareness sessions enriching students' real-world understanding.

November 2025 – Celebrating Culture and Competition

November was a vibrant blend of cultural celebrations, sports and academic excellence.

Highlights included:

- Kannada Rajyotsava celebrations
- Kannada Month activities and culmination

- Sports Day heats
- Inter-House Cultural Meet
- Olympiad examinations including IEO and IMO
- Periodic Assessment-III for Grade X
- Parent-Teacher Meeting for Grade X
- Continued admission activities for the next academic session.

December 2025 – Sportsmanship and Mathematical Thinking

December celebrated athletic excellence while strengthening analytical skills.

The month included:

- Mathematics Month activities
- Annual Sports Day, showcasing teamwork, discipline and sporting excellence
- National Science Olympiad
- Preparatory examinations for Grade X
- Periodic Assessment-III for Grades I–IX
- Foundation Annual Day (PP1 Ensemble)
- Kannada Olympiad
- Mathematics Month Culmination and Christmas celebrations, bringing the year to a joyful close.

January 2026 – Patriotism and Aspirations

The New Year began with renewed enthusiasm and national pride.

Major events included:

- Pongal celebrations
- Republic Day celebrations highlighting constitutional values and citizenship
- International Social Studies Olympiad (ISSO)
- Grade X Farewell Ceremony, celebrating the achievements and aspirations of the outgoing batch.

February 2026 – Curiosity Through Science

February encouraged inquiry, innovation and scientific thinking.

Highlights included:

- Science Month activities

- Periodic Assessments for Grades VIII and IX
- Foundation monthly competitions
- Science Month Culmination showcasing projects, experiments and demonstrations
- Annual Day celebration, providing students with a platform to showcase their artistic talents, confidence and creativity.

March 2026 – Reflection and Transition

As the academic year drew to a close, the focus shifted towards assessments, achievements and smooth transitions.

Key events included:

- Final assessments for Grades I–VII
- Results declaration for Grades VIII and IX
- Book distribution for the upcoming Grade IX and X batches
- Commencement of the new academic session for Grades IX and X
- PP3 Graduation Ceremony, celebrating an important milestone as students prepared to enter Primary School.

April 2026 – Celebrating Achievements and Preparing Ahead

The year concluded with reflection and preparation for the future.

The month included:

- Declaration of annual results
- CBSE teacher training programmes
- Academic planning for the upcoming session
- Staff meetings and review sessions
- Preparations for the academic year 2026–27.

Looking Back with Pride

The academic year 2025–26 was characterised by purposeful learning, strong values, innovative pedagogy and meaningful partnerships with parents. From classroom learning and experiential education to leadership opportunities, cultural celebrations, sports, wellness initiatives and community engagement, every experience contributed to shaping confident, compassionate and responsible learners.

The successful conduct of numerous academic, cultural and co-curricular programmes, coupled with our continued emphasis on student well-being and teacher professional development, reflects the unwavering commitment of our entire school community towards excellence.
